

# Sundial Nendo

A bookcase with a glossy white or black frame and four shelves which feature opaline dividers set at various angles like the shadows of a sundial. The dividers and the books look to the beholder as if they were in constant evolution.

Sundial is an versatile bookcase, light and not overwhelming in size which can be set against a wall or used as a room divider. The detail in the separators set at different angles gives a note of originality and arouses curiosity.
